

RACES DEFEAT THE GIANTS

CUBAN REBELS WIN HOT FIGHT

Government Troops Rout-ed and City of San Luis Captured.

NUMBER WERE KILLED.

Pino Guerra Leads Victorious Force in Pinar Del Rio Province.

HAVANA, Aug. 22.—The insurgents in the Province of Pinar del Rio captured their first city there today.

At 5 o'clock this morning the force led by Pino Guerra, who is an ex-congressman and an influential man, and who was thought to be many miles eastward and wendy other bands attacked San Luis, which is situated on the railroad about ten miles west of Pinar del Rio.

A sharp and decisive engagement followed, during which a number of men were killed or wounded on both sides.

The town was defended by less than one hundred rural guards, fifty of whom surrendered to the insurgents and are now held as prisoners.

The insurgent forces are now in possession of the railroad station and of the town, which is resuming its normal condition.

By the capture of San Luis, which has about 15,000 inhabitants, the insurgents have obtained an important base for future operations.

From various points to-day reports were received telling of further successes to the ranks of the insurgents, and noted men being among those who joined the rebels.

Despite this President Palma this afternoon declared that the revolt was a small affair, and that the rebels, having poor leaders, will be defeated in the end.

The Cuban President in an interview with the correspondent of the Associated Press said:

"Our situation, at first, has been one of unpopularity, as usual in such cases. We are taking a little time to prepare to cope with it. But there is positively no cause for alarm. The movement in Santa Clara Province is small, in Matanzas it is trifling and the hands in Pinar del Rio are smaller than reported and are poorly led."

While the Government is surprised at the uprisings in central Cuba, the satisfaction of prominent persons in Havana Province and the surrenders of some of its ostensible friends, it is disappointed because of the lack of success of loyalty in the rapid establishment.

The enlistments of recruits for the Rural Guards in Havana are proceeding rapidly. The people in the towns continue asking for arms in order to defend the government, but the impossibility of accurately gauging the dominant motives in the Cuban character adds another element to the uncertainty of the situation.

The Government has received a report that the Congressman, Carlos Mendota, a leading citizen of Santa Clara, has taken up arms with a large force. While the report is not confirmed, the Government officials are inclined to believe it, as Mendota has been regarded with suspicion.

Secretary of the Treasury, Font Steiner, one of the most reliable members of the Government, informed the Associated Press this afternoon that the Governor had been definitely informed that the insurgents in Santa Clara Province were with the exception of a few who were revolutionaries, mostly ultra-revolutionaries.

Late today it was announced that practically all the inhabitants of the town of Aguacate have, with the Mayor, declared themselves in insurrection against the Government.

A new party of fifty insurgents appeared today at Santa Clara del Norte, Havana Province.

Luis Perez, the last Liberal Governor of the Province of Pinar del Rio, has joined the insurgent forces in that province.

Gov. Nunes of Havana Province, says that the organization of his local loyal bands has begun here.

Special precautions are being taken to protect the railway at Yento and the pumping station at Palatino. Parties of insurgents have been seen in the neighborhood of both places.

American dealers have been commissioned to buy hundreds of horses for the use of the rural guards now being recruited.

Mrs. Leslie Carter and Norma Munro, Suing Her.

MRS. CARTER IS DISPOSSESSED BY NORMA MUNRO

Open Breach Now Between the Actress and Her Former Chum.

Mrs. Leslie Carter-Deane, the Auburn crowned emotional actress-bridge, has been served with a dispossession notice at her town apartment, No. 31 West Fifty-ninth street, at the instigation of her recent bosom friend, Miss Norma Munro, daughter of the late millionaire publisher, Norman Munro. Mrs. Carter-Deane has also been sued for \$1,000.00 back rent with interest to Aug. 1, 1906, in a City Court action entitled:

"Henrietta E. Munro, plaintiff, against Caroline Dudley Payne, defendant."

Henry Bogert Clark, of No. 11 Pine street, attorney for the Munro family, who also lives at the Fifty-ninth street apartment, promises other acts and situations in the just-begun Carter-Payne-Munro feud. Henrietta E. Munro is Miss Munro's mother and executrix of the Munro estate, which is to be partitioned upon the sale of their beautiful country home at Monmouth Beach, N. J.

Disputed Question of Debt.

Miss Munro, before leaving the city a few days ago with her 300-pound athletic brother, Henry, for Bar Harbor, Me., told friends that Mrs. Carter-Deane owed her \$10,000 and that she had authorized Mr. Clark to begin legal action for its recovery. Mrs. Carter-Deane is prostrated over this sudden change in her "dear Norma," and has written to her that she is to be partitioned upon the sale of their beautiful country home at Monmouth Beach, N. J.

No. 36 West Fifty-ninth street is a part of the Munro estate. It is an up-to-date apartment building facing Central Park. Mrs. Carter-Deane, then plain Mrs. Leslie Carter, moved in nearly a year ago. She took the western half of the second floor, directly across the hall from a luxurious suite of rooms occupied by Miss Munro.

Until the advent of young Mr. Payne Miss Munro was to be found in the rooms of the actress quite as frequently as in her own, and until her return from the fateful New England motor trip, when Mrs. Leslie Carter became Mrs. Carter-Payne, there hung a magnificent painting of the actress in the "Fountain Room." This picture now lies face downward on the floor, and two doors especially out through from the Munro apartment—one from Miss Munro's study and the other from her sleeping chamber—have been built on the Munro side. DARE-DEVIL AUTO DRIVERS AFTER RECORD

Oldfield, Bald and Cooper Start Against Time for Fifty Miles.

(Special to The Evening World.) PHILADELPHIA, Aug. 22.—Not since that equine king, Major Delmar, made his past mile on the Point Breeze race track here several years ago has such a crowd of sport lovers turned out to see an event as gathered here this afternoon to witness Barney Oldfield try for a new record for a fifty miles on a circular track. Pitted against Oldfield in his dare-devil ride was Eddie Bald and Tom Cooper, both world-famed drivers of fast machines.

Oldfield and Bald have been in town several days getting acquainted with the track, but Cooper only arrived this morning after a record run from New York. He made at once for the scene of the race and went over the course at a three and two-fifths of a minute clip just to get the hang of the curves.

No less than 8,000 auto enthusiasts were on hand when Starter Fred Wagner fired his pistol as a signal to begin the contest.

One of the features of the afternoon was the Atlantic City sweepstakes, worth \$2,000 to the winner. In this event Oldfield was opposed by Bald, Cooper and Howard Gill. The big event of the meet was the Quaker endurance derby, with twelve entries.

(Special to The Evening World.) BALD GROUND, CINCINNATI, O., Aug. 22.—Manager Donovan and his Superbas arrived in the city this morning to begin the series here, as soon as a bunch of players as ever rallied at an umpire for incompetency. The result of yesterday's game in Pittsburg was the cause of their pessimism, and all laid the blame for the defeat to Empireville. Lewis says that Meier had no chance of getting back to second and that the out, which should have ended the game, was as clean as ever the perpetrator.

News of new intent for the Superbas is expected to-night, which, if true, Ebbets, who has been scouring among the minors, will reach the city.

"I have not heard what success Mr. Ebbets has been having," said Manager Donovan, "but I am sure on encouragement in having such players. We were anxious to get Outfielder Birmingham of the New York State League, but we were prevented from doing so. Birmingham, Capt. Casey and the other players, secured by being hit by a pitched ball."

BY FRANK W. THORP.

(Special to The Evening World.) RACE TRACK, SARATOGA, N. Y., Aug. 22.—John A. Drake and Morris Hayman were fined \$50 each by the stewards at Saratoga today for violation of the rules of racing, which were upon friendly claims. Drake had Wes in a selling race a few days ago and Hayman claimed him. A few days later Hayman returned Wes to the Drake stable.

The stewards investigated and found evidence enough to warrant them in believing it was a friendly claim. At Belmont Park the Jockey Club strongly denounced collusion between owners and threatened punishment to offenders.

The Albany Handicap, the feature of today's card, had eleven entries originally, but only four were sent to the post. Killalee was made the favorite, but had no speed and ran a dull race. Eddie Ware finally found the right pace and held his field safe all the way. Smiling Tom beat Killalee easily for the place.

Hastings's Horses Split Purse.

The get of Hastings are noted mud runners. There were three Hastings horses in the opening dash for two-year-olds and they finished one-two-three. Malacca, a 7 to 1 chance, won easily by two lengths from Nancy, who beat Tiling the same distance.

Yama Christy was a ton the best in the jumping race. Dupee waited with him to the final half then moved to the front and won collapsing from Python.

Disnabile, a hot favorite in the mile handicap, won without much trouble, though Cottonown, a good horse from the West, gave her backers some uneasiness for the first seven furlongs. Veronique, the first two-year-old to start in a mile race this season, was best. Tiron racing far below his form.

Right Royal Liked the Mud. Right Royal, favored by the mud, won the fifth race cleverly. Col. Bartlett made the early running followed by Deloraine and Right Royal. Near the far turn Right Royal moved up and closed on Col. Bartlett. In the run home Right Royal moved to the front and beat Col. Bartlett three-quarters of a length to the wire. Little Scout was right length behind.

Shot Gun by Six Lengths. Shot Gun made all the running in the sixth and won easily by six lengths from Bohemia, who beat Dr. Gardiner three lengths for the place.
